United Way Blackhawk Region Awards Grant to Stateline Family YMCA

The Stateline Family YMCA is honored to receive an \$85,500 grant from the United Way Blackhawk Region (UWBR). Throughout the next year and half these funds will allow the Stateline Family YMCA to better serve the youth and families in our community.

We are excited to partner with the UWBR as we continue to expand our programs to better serve the community. We serve over 16,000 youth and families annually, we are the leading child care provider serving over 500 families and we are a safe haven for homeless teens. Collaboration with and support from like-minded organizations play a key part in our ability to serve. The UWBR, our members and private donors are a large part of this ability.

Stateline Family YMCA CEO, Doug Britt, "Thank you to the United Way Blackhawk Region for their generous gift! It's great partners like this that allow us to live our cause of strengthening the Stateline Community while ensuring everyone regardless of age, income or background has the opportunity to learn, grow and thrive."
