#### United Way Recognizes School District of Milton

**Milton, WI-** The School District of Milton is pleased to announce that the United Way Blackhawk Region has recognized the School District of Milton as a *2017 Champions Club Member*.

The recognition stems from the District's substantially increased employee contributions to the United Way in 2017, doubling its total pledges from the previous year. Only six organizations in the region earned such distinction. Superintendent Dr. Tim Schigur commented on the recognition by stating, "I'm extremely grateful and proud that our employees are supporting United Way, as the organization does many wonderful things for our students and families via the programs they offer."

United Way Blackhawk Region President/CEO Mary Fanning-Penny also commented on the award stating, "United Way believes success in life begins with a quality education, so we applaud the School District of Milton for the meaningful work they do everyday. We're pleased to present this recognition for the employees' generosity and extend our thanks for helping to build a stronger community."
